3. S.C. Code Ann. Section 58-27-865(A)(1) further authorizes the recovery in annual fuel proceedings of “incremental and avoided costs of distributed energy resource programs and net metering as authorized and approved under Chapters 39 and 40, Title

58... under a separate distributed energy component of the overall fuel factor.” Recoverable costs are capped in S.C. Code Ann. Section 58-39-150 “[f]or the protection of consumers and to ensure that the cost of [distributed energy resource] programs do not exceed a reasonable threshold.”

4. The Company must compute and update annually the “costs and benefits of net metering and the required amount of the [Distributed Energy Resource Net Energy Metering (“DER NEM”)] Incentive coincident in time with [its] filing under the fuel clause.” Order No. 2015-194; *see also* S.C. Code Ann. § 58-39-140(B). The methodology used to determine the “costs and benefits of net metering and the required amount of the DER NEM Incentive” available to existing customer generators who applied for net metering prior to June 1, 2021, is governed the Settlement Agreement approved by Order No. 2015-194, as modified by Order No. 2021-569 in Docket No. 2019-182-E. Among other requirements, Order No. 2021-569 directs utilities to evaluate solar PV over a 20-year lifespan, track and quantify avoided transmission and distribution costs, and consider fuel hedging investments.

5. CCL is a nonprofit corporation organized under the laws of the State of South Carolina whose mission is to protect the natural environment of the South Carolina coastal plain and to enhance the quality of life in its communities by working with individuals, businesses, and government to ensure balanced solutions. CCL and its members support the development of energy policy that is in the public interest of South Carolinians. CCL has members in South Carolina who receive electricity service from DEP and will be impacted by the decisions made in this proceeding regarding the recovery of fuel costs and incremental and avoided costs of DER programs. The principal address of CCL is 131 Spring Street, Charleston, South Carolina 29403.

6. SACE is a nonprofit organization whose mission is to promote responsible and equitable energy choices to ensure clean, safe, and healthy communities throughout the Southeast. SACE and its members are interested in promoting greater reliance on clean energy resources to meet the South's energy needs. Like CCL, SACE has members who receive electricity service from DEP and will be impacted by the decisions made in this proceeding regarding the recovery of fuel costs and incremental and avoided costs of DER programs. SACE's principal address is P.O. Box 1842, Knoxville, Tennessee 37901. SACE also has offices in Georgia and North Carolina, and in-state staff in Florida and South Carolina.

7. Petitioners have participated as interveners in multiple Commission proceedings relating to the implementation of the South Carolina Distributed Energy Resource Act, including Docket Nos. 2014-246-E, 2015-53-E, 2015-54-E, 2015-55-E, 2015-203-E, 2015-204-E, 2015-205-E, 2015-362-E, 2016-1-E, 2016-2-E, 2016-3-E, 2017-1-E, 2017-2-E, 2017-3-E, 2018-1-E, 2018-2-E, 2018-3-E, 2019-1-E, 2019-2-E, 2019-3-E, 2020-1-E, 2020-2-E, 2020-3-E, 2021-1-E, 2021-2-E, and 2021-3-E.

8. Petitioners and their members have direct and substantial interests that will be impacted by the Commission's review and approval of DEP's 2022 fuel rider. Petitioners seek to ensure that DEP's fuel purchasing practices and policies are just and reasonable, result in the lowest reasonable costs to customers, and take into account the volatility and risks associated with natural gas prior to passing fuel costs to customers. Petitioners also seek to ensure a full and proper valuation of NEM generation and appropriate cost recovery consistent with Order Nos. 2015-194 and 2021-569, that will accurately reflect and support an effective and diversified portfolio of distributed energy resources and lead to cleaner, safer, and healthier communities for all South Carolinians.

Petitioners' support for these policies and involvement in this proceeding will promote their members' interests as well as the broader public interest.

9. Pursuant to R. 103-804(T) of the Commission's Rules of Practice and Procedure, the Petitioners are represented by counsel in this proceeding:
